CYCLE EVENT ORGANISERS STATEMENT*

Further to a committee meeting tonight we have taken the difficult decision to postpone this Sunday's cycle event until September (date to be confirmed).

This decision was not taken lightly but was based on a number of factors outside our control including this week's very poor weather and potential for difficult road conditions. The health and safety and enjoyment of all participants is of primary concern.

Anyone who has paid online will receive a full refund and we hope that you can join us in September.

Please share this with anyone that you knew to be attending. Thanks for your understanding and we apologise for any inconvenience caused.
