MAY SONG SHEET

This month's focus is Christmas!

5 little caterpillars (rhyme)

5 little caterpillars
Sitting on a leaf.
One little caterpillar
Fell asleep
When he woke up
He found he could fly
Now there's 4 caterpillars
And one butterfly.

ButterflyChopis.com

The life of a butterfly

Sung to: "Skip to my Lou"
I'm a caterpillar, wiggle with me (x3)
What will I be my darling?

A chrysalis now sleep like me (x3)
What will I be my darling?

A butterfly, come fly with me (x3)
Come fly with me my darling.

Here is the beehive (rhyme)

Here is the beehive
Where are the bees?
Hidden away where nobody sees
Soon they come out
Buzzing from the hive
1,2,3,4,5.

Crawling and flying around

Sung to: "Oh dear, what can the matter be"
Oh dear, what can the matter be
Minibeasts as far as the eye can see
Spiders, ladybirds, and a bumblebee
Crawling and flying around.

The bumblebees' buzzing and butterflies fluttering
Ladybirds crawling and spiders are scuttling
Each little creature its own language muttering
Crawling and flying around.

Wiggly Woo

There's a worm at the bottom of the garden
And his name is Wiggly Woo.
There's a worm at the bottom of the garden
And all that he can do is wiggle all day
And wiggle all night
He's going to give you such a terrible fright
There's a worm at the bottom of the garden
And his name is Wiggly Woo.

The Spider (rhyme)

I have a little spider,
I am very fond of him.
He climbs onto my shoulder,
And then onto my chin.
He crawls down my arm,
And then onto my leg.
And now he's a tired little spider,
So I'll put him into bed.

The Bee

Buzz, buzz, buzz went the busy little bee.
Buzz, buzz, buzz, buzz, buzz went he.
What is your name, you busy little bee?
Buzz, buzz, buzz, buzz, buzz went he!
