Additional information

- GL Paper 2:** We would like to wish all our students sitting their paper this weekend, every good luck!
- Santos Football Club:** we would like to support this club who have let us use their pitch at 698 Saintfield Road, Carryduff numerous times over the years. One of our parents is heavily involved in the club and has approached MIPS for support. They have got through to the last stages of the Aviva Community Fund 2018, and if we can help them accumulate enough votes, they may be successful in their application for funding for facilities improvements, which our children, and others in the local community, would benefit from. Please vote for them by following the link below **before 20th November – thank you!**
